

## PERKINS ACCOUNTABILITY PLAN

Based on  
Kentucky State Performance Measures

- ❖ Baseline scores released in November 2000
- ❖ Scores released in November 2001 for comparison
- ❖ The state will assess each eligible recipient for deficiencies
- ❖ If there are deficiencies, the school must submit an improvement plan
- ❖ Scores released in November 2002 for comparison
- ❖ The state will assess each eligible recipient for deficiencies
- ❖ If there are still deficiencies, the school will be evaluated on the previous improvement plan
- ❖ Scores released in November 2003 for comparison
- ❖ The state will assess each eligible recipient for deficiencies
- ❖ If an eligible recipient fails to meet the levels of performance, has not implemented an improvement plan or has failed to meet the performance levels for **two** or more consecutive years, the State may withhold all or a portion of the Perkins funds.
